

## BIOEFFECT 30 DAY TREATMENT

☀️🌙 For day and/or night use

Reset your skin in just 30 days with our most potent product. The triple-action age-defying treatment is formulated with a potent blend of 3 Barley growth factors, EGF, KGF, and IL-1a, to smooth and even out the complexion and aid in moisture retention. Specifically formulated as a highly concentrated boost to regular anti-aging skincare to use for 30 consecutive days, 1-4 times a year, depending on skin's condition.

- **Significantly minimizes appearance of wrinkles and pore size**
- **Increases the appearance of skin density**
- **Visibly smoother and plumper skin**
- **Maximizes hydration and radiance and improves skin tone**
- **Only 9 ingredients**
- **No preservatives or additives**

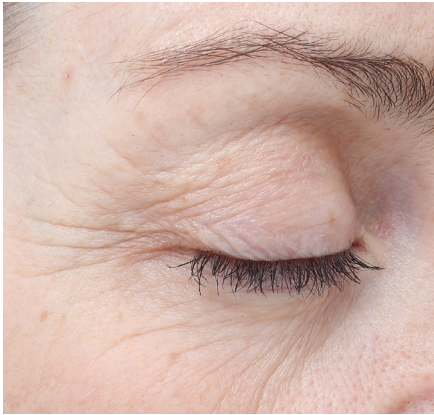

**How to use:** Apply 3-4 drops to face, neck, and décolleté, both morning and evening. In the morning, wait 3-5 minutes to allow the serum to absorb before applying moisturizer, sunscreen, or makeup. The treatment is specifically formulated as a highly concentrated boost to regular anti-aging skincare to be used 1-4 times a year, for 30 days at a time. Each of the three small bottles contains a 10-day supply, only open one at a time.

**Designed for customers:** Wanting to treat their skin to a complete overhaul or an extra anti-aging boost. Looking for effective skincare that can deliver amazing and fast-acting results for a special occasion, for example a wedding.

**Top tip:** Using the Imprinting Hydrogel Face Mask after applying the 30 Day Treatment will enhance the efficacy of the Treatment. Optimal is to use the face mask 2-3 times a week.

**Key Ingredients:** BIOEFFECT EGF, KGF, IL-1a, and Hyaluronic Acid.
